

## **LEADERSHIP TEAM-BUILDING – One Day Program**

### **Overview**

In today's fast-paced business environment, effective teamwork and leadership are more crucial than ever for success. It's not just about individual brilliance but how well a team can collaborate, innovate, and lead collectively. This event is designed to address the key components of collaboration, networking, relationship building, and leadership skill enhancement.

The skills imparted and the relationships built during this program will not only benefit the individual participants but also serve as a strong foundation for the team's collective growth and success.

### **Learning Outcomes**

Upon completion of this program, participants will have:

- Enhanced understanding and rapport among team members
- Improved communication channels
- Strengthening of leadership skills
- Reiteration and internalization of core leadership values

### **Program Objective**

This event is meticulously designed to address the key components of collaboration, networking, relationship building, and leadership skill enhancement.

**Who must attend**

Heads of divisions and departments, Managers, superintendents, supervisors and those who are required to lead teams.

**Methodology**

The program methodology integrates a blend of outdoor and indoor activities to achieve its core objectives of fostering collaboration, networking, relationship building, and leadership skills enhancement.

The event kicks off with an ice-breaking session to set a positive tone, followed by outdoor and indoor collaborative activities designed to encourage teamwork and continuous improvement. Problem-solving and communication skills are honed through hands-on activities and group discussions. A leadership workshop focuses on "Continuous Improvement" and "Enabling Others' Success," employing presentations, case studies, role-plays, and interactive discussions.

The day concludes with a wrap-up and reflection session to discuss key takeaways and action plans.
